

A hero, a tree, a transformation

A donation has been made in the name of:

WILLIAM DONALD RATTLE

This contribution supported the planting of trees along the Highway of Heroes.

With your help, the Highway of Heroes Living Tribute is planting up to 2,000,000 trees in honour of all the Canadians that have served during times of conflict since Confederation, including the war of 1812. The 117,000 most prominent trees will be planted along and near the stretch of the 401 known as the Highway of Heroes, one tree for every life lost while serving in the Canadian Armed Forces.

Together, we are creating the world's largest living memorial.
